

TLIF0009 ENSURE THE SAFETY OF TRANSPORT ACTIVITIES (CHAIN OF RESPONSIBILITY)

NATIONALLY RECOGNISED
TRAINING

COURSE OVERVIEW

This nationally recognised unit of competency involves the skills and knowledge required to ensure the safety of transport activities.

To achieve the accreditation, the candidate must complete one (1) unit of competency; refer to unit list on page 2.

Acacia Education & Training is committed to providing an inclusive learning environment. Principles of access and equity for all students are applied in all programs.

COURSE OUTCOME

This unit includes identifying features and applying chain of responsibility obligation in the Heavy Vehicle National Law (HVNL) or applicable state/territory law and regulations. It also includes identifying and reporting chain of responsibility risks.

ENTRY REQUIREMENTS

There are no formal entry requirements for this qualification.

- **Students choosing correspondence must be employed within the Supply Chain industry.**
- Applicants will be required to undertake a Language, Literacy & Numeracy assessment.
- Applicants will be required to complete a Pre-Training Review.
- Applicants must be able to attend all practical assessments on the assigned dates where required.

ACACIA
EDUCATION & TRAINING

JOB OUTCOMES

This course will develop a range of skills that may benefit workplaces and roles such as:

- ✓ **Warehousing Supervisor**
- ✓ **Transport & Logistics Officer**
- ✓ **Road Transport Driver**
- ✓ **Forklift Loader/ Unloader**
- ✓ **Despatch & Reveal Officer**

COURSE DELIVERY

**Only if working in the industry with third-party sign off on observable tasks.*

COURSE DURATION

Students may have up to six (6) months to complete the course. However, if you are utilising NSW Government funding, these dates may vary.

Students will need to follow the training plan provided to them at commencement of training to ensure they complete the course in the required timeframe. Approximately fifteen (15) hours of study should be allocated for each unit.

ESSENTIAL SKILLS FOR THE WORKPLACE

UNITS OF COMPETENCY

Below are the units of competency required for this course.

UNIT CODE	UNIT DESCRIPTION
TLIF0009	Ensure the safety of transport activities (Chain of Responsibility)

UNIT OVERVIEW

TLIF0009 - Ensure the safety of transport activities (Chain of Responsibility)

This unit involves the skills and knowledge required to ensure the safety of transport activities. It includes identifying features and applying chain of responsibility obligation in the Heavy Vehicle National Law (HVNL) or applicable state/territory law and regulations. It also includes identifying and reporting chain of responsibility risks.

Transport activities as defined by the HVNL or applicable state/territory law and regulations. Work is performed under close direction, generally within a team environment.

Knowledge Evidence examples: Knowledge action required when possible risks of the transport activities are identified; consideration of external factors in managing speed and fatigue; function of driver and how they relate to transport activities, including level of influence and control; methods, industry standards and requirements to ensure management of fatigue, speed, load restraint, mass, dimension and heavy vehicle maintenance and how they relate to transport activities job function

Performance Evidence examples: Students will be required to show evidence of assessing the likelihood and consequences of harm relating to own job function on a minimum of three occasions; completing safety documentation of identified transport activities of a heavy vehicle risk on a minimum of three occasions, each about a different type of risk; identifying risks associated with transport activities of a heavy vehicle of own job function and at least two other job functions directly related to own job function

COURSE DELIVERY

This course can be delivered in a flexible program of **correspondence + workplace practicals** or **classroom*** based learning.

Theory: Students may complete their assessments at their own pace. Support from a designated trainer is available via email, phone, SMS and video call.

Practical: Online/correspondence: Practical assessments may be carried out within the workplace (supervisor observation required).

Classroom: Practical assessments may be carried out within a simulated environment with designated trainer present.

**Classroom may be arranged on a case-by-case basis. Minimum numbers may apply. Ask us for more information.*

CERTIFICATE

On successful completion of all assessments each participant will receive a Statement of Attainment containing the Nationally Recognised Units of Competency:

- TLIF0009

The successfully completed units provide credit towards a range of qualifications in the TLI Supply Chain Operations Training Package.

COURSE FEES

Contact Acacia for further information and ask us for a free quote.

Subsidised Training: Participants may be eligible to receive subsidised training or a fee reduction through the NSW Government Smart & Skilled program where available. Contact Acacia to find out more.

FUNDING ELIGIBILITY *(where applicable)*

To be eligible to receive Smart and Skilled funding, applicants must meet the following criteria:

- living or working in NSW
- 15 years old or older and no longer at school
- an Australian citizen, Australian permanent resident, humanitarian Visa holder or New Zealand citizen.

STUDENT SUPPORT

Academic support

Students have access to trainer support throughout the duration of their course, whether they are learning online or in class. Our experienced trainers are available to answer any questions students may have regarding the learning materials and assessments. The appointed trainer can be contacted via email, phone or video call, students will be provided with these contact details on course commencement.

Administrative support

The administrative team is available during business hours (9am - 5pm) Mondays to Fridays and can assist students with all administrative enquiries or issues, including enrolment, change of contact details, class schedules, online learning and certification. The administrative team can be contacted using details further below.

APPLICATION TO ENROL

Acacia is committed to ensuring all applicants clearly understand the details and outcomes of the course they are enrolling in.

For information on the enrolment process and to apply please contact us directly or use the online link on our website.
